## Danish with Confidence

## Welcome to Danish Courses by IA Sprog!

IA Sprog offers intensive courses at all levels for Metropolitan international full-degree students and exchange students – conveniently for you at Metropolitan University College. The courses and all necessary materials are free, due to our special agreement with Metropolitan University College.

IA Sprog's modern teaching methods use a mix of books, CDs and IT software. In addition to classroom learning, you will also have the opportunity of learning at home using our E-learning website.

**Our course will provide you with knowledge of Danish culture and ensure that you become proficient in:**

- Reading
- Writing
- Listening and understanding spoken Danish
- Grammar
- Pronunciation
- Conversation

## Intensive Course - also for Scandinavians

Our courses are designed specially for students of Metropolitan Univesity College, in order to suit your schedule and give you the possibility of studying when it is convenient for you.
For Scandinavian students there will be a specially designed course.

**This course will provide you with:**

- Communicative competences in Danish
- Theoretical knowledge of Danish grammar, lexicon and phonology
- Knowledge about Danish culture and society

**The course will take place in the city center at:**

Metropolitan University College
Pustervig 8, 1126 Copenhagen K.

**Time:**

Once a week (three lessons a time), starting at the beginning of February.

At the end of the course you will be expected to take an official test corresponding to the Common European Framework of Reference: A1 (for beginners) and A2 or higher (for advanced students).
